Article I—Name

The name of the organization shall be the Junior League of Winston-Salem, affiliated with the Association of Junior Leagues of America, Inc.

Article II—Object

“To foster interest among its members in the social, economic, educational, civic, and cultural conditions of the community, and to make efficient its volunteer service.”

Article III—Membership

Section 1. There shall be five classes of membership: Provisional, Active, Professional, Non-Resident, and Honorary.

A. **Active Members.** Active members are those who are required to attend all monthly meetings, except when excused, and take part in the regular activities of the League.

1. Members having been excused from League duties by the Executive Board for a definite length of time, still retaining their place on the list of Active members are called Inactive. They are required to pay double dues for the period of their inactivity.

2. Any active member who leaves Winston-Salem for an indefinite length of time may ask for Non-resident membership, provided that such a member is in good standing at the time of her application. She may apply to the Executive Board in writing. Upon the granting of such application she shall pay annual dues in advance. Her place on the active roll is thus relinquished.

B. **Honorary Member.** Members upon completing eight years of active service may become permanent Honorary Members. They may attend meetings but do not have voting power. They are required to pay regular dues.

1. All members automatically become Honorary Members at the age of forty.

C. **Professional Members.** Professional members are those who are not able to attend monthly meetings regularly, or to take part in the full activities of the League because of a profession. They may vote and are required to pay the same dues as active members, and serve when possible in any capacity.

D. **Provisional Members.** Provisional members are those who are not eligible to active membership. They are engaged in complying with the requirements of the League through its training course and its volunteer system of service for a period of six months.

According to the Constitution, having filled the requirements necessary, they become active members.

Section 2. Any woman residing in Winston-Salem for a period of one year, who has completed her schooling, and who has not passed the age of forty, provided she is personally acceptable, shall be eligible for membership.

Section 3. Method of Election to Membership.

A. There shall be one meeting a year designated for the election of new members. This meeting shall be the regular November meeting, unless changed by a two-thirds majority vote.

B. A candidate for membership must be proposed by a letter addressed to the chairman of the membership committee from an active member of the League. This letter must be accompanied by the signature of two other active members, recommending for membership the person thus proposed. Only one name may be proposed and one other name be seconded by a member at each election. These letters must be submitted to the membership chairman at least one week previous to date of election, at which time there will be a meeting of the Executive Board to consider these letters of recommendation.

C. After having been approved by the membership committee, composed of the Executive Board, the name of the proposed candidate shall be submitted to the League for consideration at the regular November meeting. A nominee must receive at least two-thirds of the votes of the members present to be declared elected. If the number exceeds the limit to be taken in the twelve receiving the greatest number of votes are deemed elected.

Section 4. The Provisional course for the year and a Constitution of the League must be sent with each letter of invitation to join the organization.
